Parent Liasion: Sonia Shiri, shiri@berkeley.edu (510)520-6026

Chess is fun and can be learned quickly and easily! Studies have found that the hidden rewards for students of chess are surfacing on test results in reading, science and math and on growth in critical cognitive abilities. Beyond academia, chess influences social behavior, including self esteem, respect for others, patience and good manners.

The Berkeley Chess School (BCS) is non-profit, and has been offering chess instruction from elementary through high school for 25 years. Former Irish Chess Champion Elizabeth Shaughnessy started the program. Over the years our students have won numerous national and state championships and some have gone on to become Masters, FIDE Masters and International Masters.

Boards and sets are provided for our classes. Reduced fees are available to low-income families upon request. The first child in a family pays full price, additional siblings pay half price. *Students at all levels of skill are welcome!* The class minimum is 10 and maximum is 20. Enrollments are accepted in the order received. We will call only if the class is full and we cannot accept more enrollments.

If your child would like to begin the program in January, a pro-rated fee can be arranged. For further information please call the Berkeley Chess School at 510-843-0150 or email us at bcschool@pacbell.net. Our website is www.Berkeleychessschool.org

---REGISTRATION FORM –Please mail this form, or register online at Berkeleychessschool.org---
